3 Keyes Mission Statement

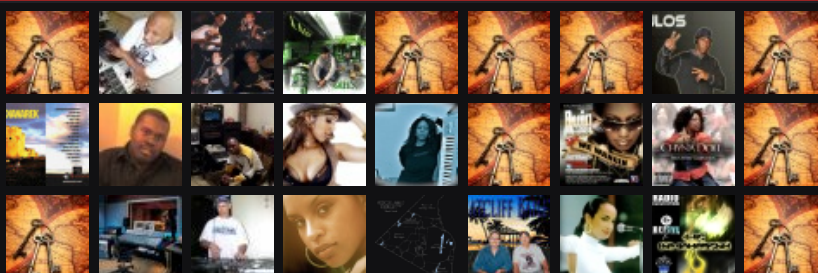

3 Keyes Enterprise is a mainstream company providing quality service to niche markets and businesses. 3 Keyes Enterprise provides quality service in the form of promoting events, developing media content, and personal and professional management. We seek to provide informational media products for the African-American community, to provide marketing black owned/ community businesses and to be fully functional entertainment/artist management firm.

3 Keyes Enterprise business philosophy is sound principle plus ethics equals profit. This means we have a commitment of studying the market place, investigate the need and wishes of the community and have an appropriation of the needs our clients. From this we will use sound principles and practices to meet the demands of business. We are committed to be a leader in the 21st century new economy where according to Alvin and Heidi Toffler "the third wave of human economic growth is determined by the use of data information, image and symbols culture, ideology and values." With the trend of media mergers where entertainment and education are becoming more and more linked together while diversity is increasing among the population of the United States 3 Keyes Enterprise in well suited to deal the changing times of the new economy. We contend that the strength and growth of the company will derive from the building and maintaining relationships with our clients and our public. In addition, the growth of the business will come about through strategic alliances and building/acquiring a client base.

A Hip-Hopper who's becoming legendary with every flow. Du Kelly p/k/a Doitallone third of the members of the hip-hop trio LORDS OF THE UNDERGROUND shows that he still has the lyrical acrobatics as he once displayed on classics records like CHIEF ROCKA, & FUNKY CHILD. With the music industry constantly changing he has maintained by securing independent film & television roles such as 30 Rock (NBC), Law & Order (NBC), Soprano's (HBO), OZ (HBO) & indie feature films such as Durdy Game (Roc) & Cash Rules which also stars J.D. Williams (Wire) & Treach of (NBN). Doitall has also been busy on the executive side of things. He is currently an Executive with Michael Bivins(New Edition, BBD) company Sporty Rich Enterprises, as well as CEO of a branding & marketing company called LORD GANG WORLDWIDE & Dj Coalition called LORD GANG DJ'z. Still touring with L.O.T.U.G here and abroad. He has continued to stay relevant thru a heavy Street & Internet presence along with notable features on Nas's WHERE R THEY NOW remix, Pete Rock's NY's FINEST album (Best Kept Secret), Masta Ace & Edo G's Arts & Entertainment album (Round & Round). He also has been featured in Redmans' COCK BACK video. Although achieving worldwide exposure Doitall maintains a core of underground fans. Some might wonder where this Hip-Hopper has been and he answers with his solo debut "AMERICAN DU" This album is part of what Doitall calls ADULT CONTEMPORARY HIP-HOP (ACHH). With appearances by Mr. Cheeks (lost Boyz), Treach (NBN), Masta Ace, Craig G, The poet Black Ice, Ed OG, Grand Daddy I.U. Shaheim (WU) and production by Pete Rock, Scott Storch, Fokus, Ric Notes, Illustrate, Lady Drama, & other up and coming producers. It also features a protege of his, an Lord Gang/Alkatraxe recording artist by the name of THE PHENOM CARTEL who is featured on a song entitled Hi-Def State Of Mind. Notable songs are YEAH YEAH produced by Be-Life, SURRENDER produced by Pete Rock, I GET IT IN produced by Mason of Future

THINKING OUTSIDE THE BOX w/ the OUTLAW: PASSION OVER POLITICS

Welcome Friends, Comrades, & Colleagues this is my first entry of many which is titled "Thinking Outside the Box" with the OUTLAW. With God's Blessing and Tupac's spirit, I will break down today's topics with overall facts combined with educated opinion. Basically, balancing the outlets of communication because right now, there aren't any outlets for the Mature Hip Hop Head to speak. Lets get into it with my first entry titled: PAS... Continue
